Strange creatures at the Acropolis Museum

What is truly the Hippalektryon? A rooster or a horse? A real mystery! And what about Centaur, Typhon, Triton and so many others? Visit the Museum with your children (**up to 12 years old**) and discover them together. Creatures of the earth, the sea and the air, creations of the imagination of ancient people that invite us in a game of exploration, observation and knowledge. Children will be given materials to take home and create their own strange creatures. If they choose to do so, they can photograph their artworks and upload them on [acropolismuseum kids!](https://www.theacropolismuseum.gr/kids)
