

## 25 March at the Acropolis Museum

On the occasion of the **Greek National Holiday on Saturday 25 March 2017**, entry will be free for all visitors at the Acropolis Museum. The Museum exhibition areas will be open **from 9 a.m. to 8 p.m.**

**At 1 p.m.**, the Museum President, prof. Dimitrios Pantermalis will present to visitors the replica of **Kore 685**, on which the Swiss painter E. E. Gilliéron (1885-1939) applied ancient colors 100 years ago, based on the drawing of his father and also painter, L. E. Gilliéron (1850-1924). The latter was made right after the discovery of the sculpture in 1888, southwest of the Parthenon.

On the same evening, at **7 p.m.**, video excerpts from composer's **George Kouroupos** musical project "*Voice of oak*" will be shown in the temporary exhibition hall "*Dodona. The oracle of sounds*", next to the exhibition's artificial oak. The project "*Voice of oak*" is inspired by the prophetic oak at Dodona.

On the same day, the Museum restaurant will serve a 'Greek Traditional Meal'.
